

Zebra® MZ™ Series

Connecting the mobile workforce

Get the benefits and value associated with Zebra from the MZ series of economical receipt printers. The compact design characteristics of the MZ printer enables use in a large number of receipt printing applications where you need quick, simple receipts on demand. Use 802.11g, Bluetooth®, IrDA® or USB to connect to a handheld or smart phone device and produce crisp, clear printed output.

Freedom to print

These unobtrusive printers can be worn comfortably for a full shift without interfering with the user's tasks. And because it is a Zebra printer, reliability is not compromised when you choose an MZ series entry-level printer.

MZ™ Series

These easy-to-operate mobile receipt printers are a great first step for users looking to replace pen-and-paper documentation, pre-printed receipts or unreliable mobile printers. Mobile workforces all over the world can benefit from the MZ series's compact convenience in business applications such as:

- Field repair/installation
- Deliveries
- Restaurant tableside payments
- Mobile point-of-sale
- Parking tickets
- Onboard transportation ticketing
- Utility billing/meter reading
